Frequently asked questions

What do the results mean?

The full details displayed about each registrant are:

- their name;
- their registration status;
- a unique identifier (their registration number); and
- the approximate geographical area in which they work;

Explanation of registration status

Registered - this means that the registrant is currently registered

Registered Conditions of Practice - this means that in order to practice their profession, the registrant must comply with specified conditions

Registered Interim Conditions of Practice - this means that in order to practice their profession before a final hearing takes place, the registrant must comply with specified conditions

Registered Caution - this means that the registrant has had a warning placed against their registration but is able to practice their profession on an unrestricted basis

Deregistered Suspension - this means that the registrant has been suspended from practising their profession

Deregistered Interim Suspension - this means that the registrant has been suspended from practising their profession on an interim basis before a final hearing takes place

Additional entitlements

We have powers to mark or 'annotate' the Register to show where a registrant has additional entitlements because they have completed additional training in a particular area of practice. We currently annotate our Register to indicate where a registrant has undertaken additional training around medicines and has obtained entitlements to sell, supply, administer or prescribe these medicines. We are required to do this by legislation.

Annotations will only appear on the Register for registrants who are qualified to practise in that area. Below is a list of the annotations that may appear on the results page, alongside an explanation of each.

Independent prescribing (IP)

This will appear on the Register for some chiropodists / podiatrists, paramedics, physiotherapists and therapeutic radiographers, if the registrant is qualified to act as an 'independent prescriber'.

An independent prescriber is able to prescribe on their own initiative any medicine within their scope of practice and relevant legislation.

Supplementary prescribing (SP)

This will appear on the Register for some chiropodists / podiatrists, paramedics, physiotherapists, radiographers and dietitians, if the registrant is qualified to act as a 'supplementary prescriber'.

A supplementary prescriber is able to prescribe medicines to patients as part of a 'clinical management plan'. This is a plan agreed between the supplementary prescriber, a doctor and the patient. A supplementary prescriber can only prescribe the medicines included in the clinical management plan.

Prescription only medicines – administration (POM-A)

This will appear on the Register for some chiropodists / podiatrists, if the registrant is qualified to administer by injection certain prescription only medicines, including a range of local anaesthetics, as part of their practice and without the need for a prescription.

Dear Ms Borkar

**CAS STATEMENT - STUDENT VISA
STUDENT NUMBER: 32086744**

We are pleased to confirm that Sheffield Hallam University has issued you a Confirmation of Acceptance for Studies (CAS). The information provided to issue your CAS is on a separate sheet after the last page of this letter. You should use this information to complete your visa application form.

Your CAS

If you intend to study at Sheffield Hallam University you must apply for your visa using this CAS. You will not be allowed to enrol at Sheffield Hallam University if your visa was not issued using this CAS.

By issuing you a CAS Sheffield Hallam University is agreeing to be your sponsor in relation to your study in the UK. As your sponsor Sheffield Hallam University is required to report to UKVI significant changes in your circumstances. For example,

- Deferral to a later start date
- Non-enrolment
- Exclusion or withdrawal
- Non engagement with your course
- Break in study

You have secured your place on the basis of agreeing to the University's terms and conditions. These impose contractual obligations on both you and the University. At the end of this letter are the full Terms of Student Sponsorship. Please ensure you read and understand these. They are in addition to the full Student Terms and Conditions, Regulations and Codes that can be found at <http://students.shu.ac.uk/rightsrules/regs.html>.

Visa Extensions

If you are currently in the UK and you need to apply for a student visa it is strongly recommended that you contact the Sheffield Hallam University International Experience Team who can advise and support you with the visa application:

Go to: <https://students.shu.ac.uk/shuspacecontent/international/contact-international-experience-team>

Enrolment at Sheffield Hallam University

In order to enrol on a course at Sheffield Hallam your visa must show the Sheffield Hallam University sponsor licence number.

All international students must pay 50% of their tuition fee before enrolment.

Please note you must bring your passport and your UK Biometric Residence Permit (if applicable) to your document verification session.

Your start date

Your start date at Sheffield Hallam University is 9th January 2023.

If this date is earlier than your course start this is because you are asked to attend an orientation prior to the start of your course.

You must enrol with the University as soon as you receive your invite to enrol.

Please check the International Student site for the latest arrival date, you will not be able to study on the course if you arrive after this date.

If you wish to change your start date to a different intake, or if you are unable to arrive in time for the start of your course please contact cas@shu.ac.uk

Please note the year listed in your "Evidence Used to Obtain Offer" section is the academic year your qualification was obtained. Unlike calendar years, an academic year begins in September and runs until the end of August, so for this year the 2022/3 academic year started in September 2022 and will end in August 2023. As an example, a qualification completed in August 2020 would be classed as the 2019/20 academic year, whereas a qualification completed in October 2020 would be classed as the 2020/21 academic year. Please reference this example prior to contacting us regarding your year of completion, if you feel your academic year is still wrong or for any other errors please email cas@shu.ac.uk with the subject heading "CAS ERROR".

You must engage fully with your course

Under the rules of Student Visa the University is required to confirm you are attending and engaging with your course. All students holding a Student Visa will be expected to engage fully throughout the academic year.
