

**Sancheti Institute for Orthopaedics and Rehabilitation College of Physiotherapy**

**Curriculum Committee- Postgraduate academic training**

***Purpose:***

To give quality education to students as per the directives of the curriculum provided by the Maharashtra University of Health Sciences (MUHS) through student-centric education and innovative teaching methods and experiential learning & best evidence-based education & free exchange of ideas in a supportive environment.

To cultivate leadership, integrity, social, moral & ethical values in postgraduate students for the betterment of the profession & better quality of life for the patients.

***Objectives:***

- To maximize the potential of students with professional attributes and broad-based research excellence that enables beneficial translation.
- To provide for need-based, quality-centric education in all branches of learning and follow up from time to time
- To create higher intellectual capacities and skilled therapists by dissemination of knowledge and its relevant application regionally, nationally, and globally.
- To venture into innovations and evidence-based modifications in various domains of the educational process.
- To undertake innovations, extramural studies, extension programs, and outreach activities to cater and to contribute to the sustainable development of the students
- To adhere to guidelines issued by MUHS
- Coordination with other committees for the smooth functioning of the academic program.
