

Sancheti Institute for Orthopaedics and Rehabilitation College of Physiotherapy

Extension Activity Committee

Purpose:

- To make classroom learning more meaningful
- To confront community issues, and trying to resolve them as a team
- To provide guidelines for service-learning which provides strong sense of civic responsibility, accompanied by a better understanding of self, one's own resources, the links between individual and community
- To develop leadership and teamwork skills and become more attuned to working amongst population of varying ethnicity and socio-economic status
- To have a holistic development of the students

Objective:

- To provide holistic professional development and produce competent health professionals
- To undertake innovations, extramural studies, extension programs and outreach activities to cater and to contribute to the sustainable development of the society.
- To encourage participation of students and teachers in community welfare and development activities
- To encourage and ensure taking up projects on social issues
- To support and promote objectives of other committees

Scope:

- Conduction of extension activities for holistic development of UG and PG students ensuring core competencies (critical thinking/problem solving, oral/written communications, team work/collaboration, leadership, professionalism/work ethic)
- Creating awareness amongst the people and changing their behavior by informing and educating them

Function:

- To conduct the extension and outreach activities
- To take feedback from participants
- Record maintenance
