

Sancheti Institute for Orthopaedics and Rehabilitation College of Physiotherapy

Feedback Committee

Purpose:

Feedback and suggestions from various stakeholders enable an institute for reality check about various processes or strategies implemented. It provides a scope for customization of institutional protocols for better outcomes and improves quality standards. Feedback committee is established to plan, design, implement, analyze feedbacks from various stakeholders on multiple domains. The feedback analysis can help higher authorities to take necessary measures

Objectives:

- To understand satisfaction of students about teaching learning process of the college.
- To understand student satisfaction about college infrastructure and administration
- To assess students' perception about teachers
- To assess perception of various stakeholders towards existing program curricula.
- To get parents' feedback about the institute
- To report observations to higher authorities for necessary action in order to achieve quality assurance

Scope:

This is an institute level managing body for assessments of institutional policies, protocols and procedures. The committee plans to take feedbacks from students, teachers, parents, alumni as well as other professionals associated with Sancheti Institute for orthopedic and rehabilitation College of Physiotherapy, Pune

Function:

- Receive feedback from stakeholders towards institutional standards, functioning, teaching, infrastructure etc.
- Give inputs to higher authorities on the feedback of the stakeholders.
