ABOUT THE PROGRAM M.A. EXPRESSIVE MOVEMENT THERAPY (M.A. EMT):

- The Masters in Expressive Movement Therapy (MA-EMT) covers the fundamental theories & approaches in Dance Movement Therapy (DMT), while also offering an in-depth understanding of psychology & the application of DMT in various clinical & non-clinical settings.
- The MA-EMT is a 2 years Hybrid Program involving Internationally trained faculties from various disciplines working extensively in the field of Dance Movement Therapy.
- Through theoretical & practical studies, Internships & Clinical supervisions, you will gain the self awareness required to integrate your skill set in your therapeutic practice.

USP'S OF THE PROGRAM & WHO CAN ATTEND IT

- This meticulously designed program offers an education equivalent to that offered Internationally at much lower Fees.
- With the Masters Degree you will be uniquely qualified to work with Clinical populations.
- The MA-EMT Degree will give you the scope to integrate DMT in your existing Dance training or Counselling practice. Additionally, you can also establish your independent DMT set-up.

WHO CAN ATTEND THIS COURSE:

- You must hold a Graduate Degree (In any field) in order to be eligible for this course.
- Anyone who wishes to use the body & movement as tools to help themselves & others achieve emotional wellness can benefit from this course.

DETAILS & FEES OF THE PROGRAM

- The MA-EMT course runs for **2 years** with an MoU with Savitribai Phule Pune University (**SPPU**).
- The course is spread over **4 semesters** with a theory & practical exam at the end of each semester.
- Each semester has **5 modules** including Field work & Clinical supervision.
- Classes will be held in **Online & Offline Mode**. The schedule will be provided to you before hand.
- The Admission process will involve an Online entrance exam along with an Online Interview.

FEES:

₹1,00,000/- per year for Indian Students

₹3,00,000/- per year for Non-Indian Students

Note :-

- 1) Other Fees and Exam Fees are extra as per University rules
- 2) Cancellation Policy will be applicable as per University rules

SCOPE OF WORK & ELIGIBILITY
