

Sancheti Institute for Orthopaedics and Rehabilitation College of Physiotherapy
Museum Committee

Purpose:

The traditional role of museums is to collect objects and materials that aid in the learning process and are also of historical importance for Graduate and Postgraduate Physiotherapy education. It also aims to preserve and present them to the students for the purpose of education, research and knowledge acquisition

Objectives:

- To collect, evaluate, preserve and document items of academic significance for the education of the students.
- to exhibit materials of the Museum collection that aid in learning, education and enhance knowledge which include charts/ specimens/ 3-D models/ photographs and information booklets
- To issue the museum collection to the teachers for educational purposes and document the same

Scope:

1. Museum Infrastructure
2. Museum as a learning resource.

Function:

- Procurement of material for development of Museum
- Issue of material from museum
- Documenting Utility of material for teaching
- Annual stock verification
