

Sancheti Institute for Orthopaedics and Rehabilitation College of Physiotherapy

Parent Teacher Association Committee

Purpose:

A parent teacher association (PTA) is a group of teachers at an institute and parents of the students of the institute. The PTA of Sancheti college of Physiotherapy is established with the aim of improving communication, fostering a bond between college management, teachers with parents of the students seeking education at our institute. PTA also strives to give opportunity to parents-important stakeholder in the institute- to be part of planning and execution of decisions taken for student welfare.

Objectives:

1. To hold PTA meetings
2. To inform parents about curricular and extracurricular planning and implementation in brief, important notifications/circulars by college or by Maharashtra university of health Sciences.
3. To notify parents about best practices adopted by the institute.
4. To keep parents updated about students' conduct/behavior in college including attendance and curricular and extra-curricular performance.
5. To solve woes and queries related to students' education and development.
6. To take into consideration suggestions given by parents and convey those to management for further decisions.
7. Boost students' wellbeing with focus on learning, nutrition, health (physical and mental)

Scope:

This is an institute level managing body for better understanding between parents of the students and teachers. Parents of all the students currently seeking education at the institute will be members of this association. The PTA will plan activities for better communication between parents and teachers, take into account parents' grievances related to academic performance and personality development and safety of their ward when they are on the college/ hostel/hospital premises.
