Introduction:

World Heart Day, celebrated annually on September 29th, is a global initiative by the World Heart Federation to promote heart health awareness and encourage individuals to take action towards a healthier lifestyle. Observed since 2000, this day serves as a reminder to prioritize cardiovascular well-being, foster healthy habits, and mitigate the risk of heart diseases.

Global Statistics:

1. Cardiovascular diseases (CVDs) cause 17.9 million deaths annually, making them the leading cause of death worldwide (WHO, 2022).
2. 1 in 4 deaths worldwide is due to CVDs (WHO, 2022).
3. Over 500 million people worldwide suffer from CVDs (WHO, 2022).

Theme: "Use Heart for Action"

This year's theme, "Use Heart for Action," emphasizes the importance of taking immediate and sustained action to safeguard our heart health. It encourages individuals to listen to their heart and make conscious choices to reduce the risk of cardiovascular diseases.

"Use Heart for Action" inspires us to:

- Know our heart health numbers (blood pressure, cholesterol, etc.)
- Make healthy lifestyle choices (exercise, balanced diet, stress management)
- Support policies promoting heart health
- Educate others on cardiovascular disease prevention

WORLD HEART DAY 2024 celebrated on 28th September 2024 in Sancheti Institute of Nursing Education, Pune has arranged Poster exhibition by B. Sc. Nsg. 3rd Semester Student's.

Objective: To create awareness about heart health and celebrate World Heart Day

Organization: The poster exhibition was organized by [Sancheti Institute of Nursing Education, Pune] under the guidance of:

- Ms. Deepali More (Medical Surgical Nsg. Dept.)
 - Ms. Anju Arora (Community Health Nsg. Dept.)
- Event Coordination:** Ms. Trupti M. (Mental Health Nsg. Dept).

PUNE-411005

Vote of Thanks:

The event concluded with a Vote of Thanks by Ms. Trupti Mane acknowledging the contributions of all the students and faculty members. The organizers expressed gratitude to attendees, speakers, and sponsors for their active participation. The successful conduct of Heart Day was attributed to the collaborative efforts of the organizing committee, volunteers, and supporters. The event witnessed an overwhelming response with around 50 participants.

Conclusion:

The poster exhibition successfully promoted awareness about heart health, encouraging students to take proactive steps towards healthy lifestyles. The event's success is attributed to the diligent efforts of the organizers, judges, and participants.

Recommendations:

Consider making this an annual event to reinforce the importance of heart health and encourage continued student engagement.

REPORT ON BLS TRAINING WORKSHOP

Conducted on: 4th October 2024

Venue: 3rd Floor, Sancheti Institute of Nursing Education

Introduction

A Basic Life Support (BLS) training workshop was conducted on 4th October 2024 at the Sancheti Institute of Nursing Education. The program was aimed at enhancing the emergency response skills of nursing students. The training was organized by **Dr. Mandar Akkalkotkar**, a certified instructor in ACLS, AHA, ITLS, and an Associate Professor at MUHS.

Participants

The workshop was designed for students of **B.Sc. Nursing (Semester 2)** and **GNM (3rd Year)**, and they were divided into two batches for better engagement and hands-on practice.

Guidance and Coordination

The training program was conducted under the able guidance of **Ms. Yogita Jagtap, Deepali More, and Pratima Torane**, Clinical instructor at SINE who provided academic support throughout the session.

Workshop Highlights

- **Introduction to BLS:** The session began with an overview of the importance of Basic Life Support in emergency medical situations.
- **Hands-on Training:** Students received practical training on CPR techniques, use of Automated External Defibrillators (AEDs), and effective airway management.
- **Scenario-Based Learning:** Various real-life emergency scenarios were enacted to enhance understanding and response efficiency.
- **Q&A Session:** An interactive session was conducted where students could clarify doubts and reinforce their learning.

Certification

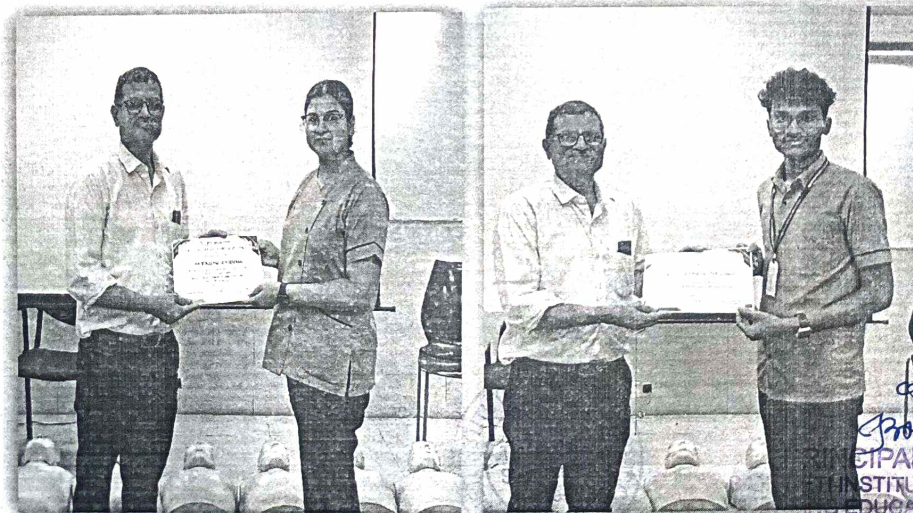

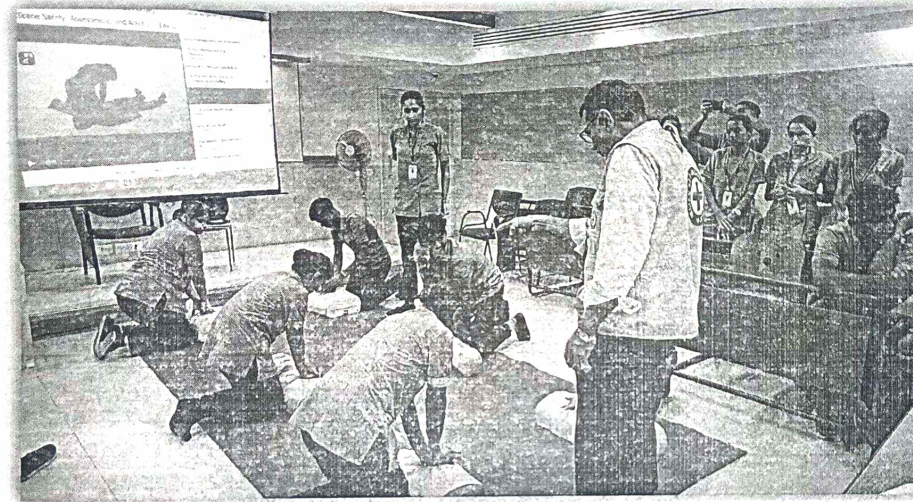

At the conclusion of the workshop, all participating students were awarded certificates, recognizing their successful completion of the BLS training.

Conclusion

The workshop was highly beneficial for the students, enhancing their confidence and competency in handling medical emergencies. The interactive and practical approach of the session ensured that students gained valuable hands-on experience in life-saving procedures. The initiative was well-received, and such training programs are recommended to be conducted regularly to strengthen nursing education and practice.

Introduction:

October 1st marks the International Day of Older Persons, a global celebration recognizing the invaluable contributions, experience, and dedication of older adults worldwide. Since its inception by the United Nations in 1990, this day serves as a poignant reminder of the significance of intergenerational solidarity and the importance of promoting healthy aging, social inclusion, and elder rights.

In 2024, we continue to honor the theme 'FULFILLING THE PROMISES OF THE UNIVERSAL DECLARATION OF HUMAN RIGHTS FOR OLDER PERSON', focusing on addressing the challenges faced by older persons and promoting policies that support their well-being, dignity, and active participation in society. On this World Elderly Day, we pay tribute to the wisdom, resilience, and achievements of our elderly population, acknowledging their pivotal role in shaping families, communities, and nations.

Let us come together to:

- Raise awareness about age-related issues
- Advocate for elder empowerment and social inclusion
- Support intergenerational dialogue and learning
- Celebrate the diversity and richness older adults bring to our world
- Lets create safe and fulfilling environment of human rights for older person.

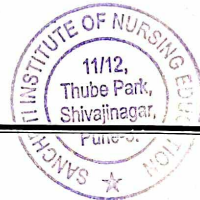

Guest Lecture:

Sancheti institute of Nursing Education, Pune has celebrated World Elderly day, Organised guest lecture on the same theme by Senior Clinical Psychologist Mrs. Megha Palkar Kher on 5th October 2024. Ma'am is specialized in Child and marriage counselling, Holds Master's in Clinical Psychology and Philosophy, further completed her Diploma in Child and marital counselling.

Mrs. Megha delivered an insightful guest lecture on elderly care, focusing on key aspects:

Key Takeaways:

1. Human Rights: Emphasizing dignity and respect for elderly individuals.
2. Understanding Ageing: Defining ageing, its stages, and implications.
3. Ageing Principles: Exploring biological, psychological, and social changes.
4. Mental Health: Addressing emotional and psychological well-being in older adults.
5. Building Relationships: Strategies for developing meaningful connections with ageing individuals.
6. Effective Communication: Techniques for clear, empathetic, and respectful interaction.

CTC

Lecture Highlights:

- Promoting awareness and understanding of ageing processes
- Encouraging empathy and compassion in caregiving
- Fostering positive relationships and communication
- Ensuring dignity and respect for elderly individuals

Mrs. Megha's Interactive Approach

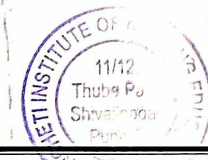

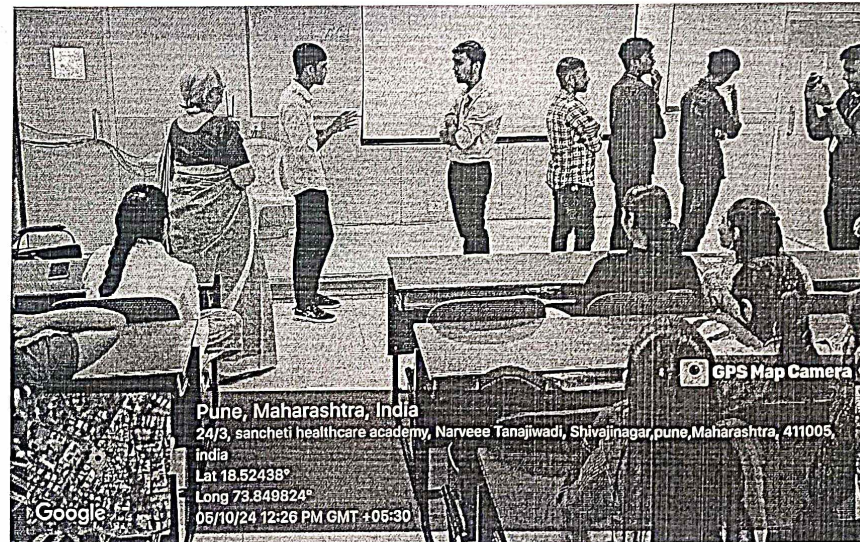

To engage students and reinforce learning, Mrs. Megha introduced funny games and activities, focusing on:

Effective Communication in Caregiving

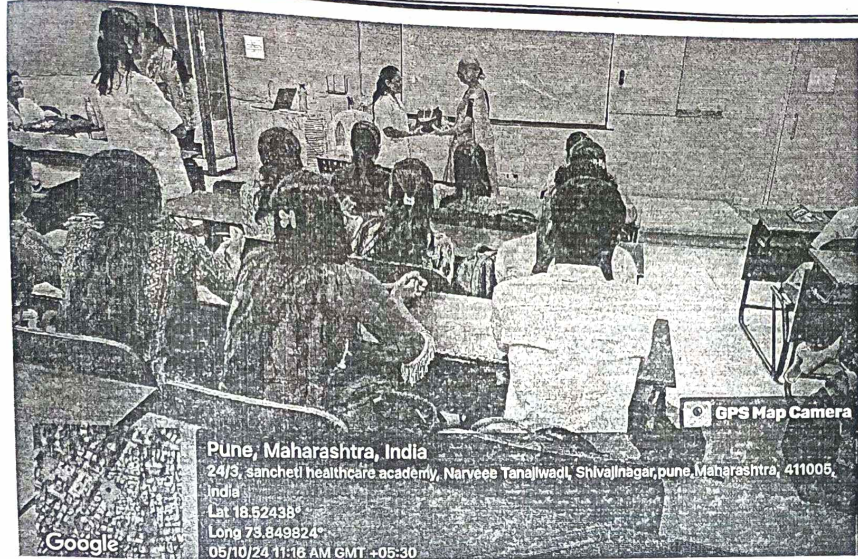

Games and activities included:

1. "Listen Up!" - Active listening
2. "Communication Bingo" - Practicing clear messaging

Encouraged participation and teamwork, Fostered creative thinking and problem-solving. Provided a relaxed, enjoyable learning environment. By incorporating interactive games, Mrs. Megha made learning fun and memorable, empowering students to provide compassionate care.

The students from Sancheti Institute of Nursing Education recently organized a successful flash mob in two community areas under the guidance of the Red Ribbon Club (RRC). The event was led by nursing tutors Ms. Yogita Jagtap and Ms. Preeti Mahadik, who accompanied the students during the activity.

The flash mob aimed to raise awareness about HIV/AIDS and address the social stigma associated with the disease. The students prepared and practiced for the event with the help of a choreographer. The performance effectively gathered a large crowd, allowing the students to communicate vital information on the prevention, transmission, and treatment of HIV/AIDS.

The event took place at two venues: Pune Station and Wakdewadi, between 11 AM and 1 PM. Pune Station Director Madal Lal Meena and DRM Indu Rani Dubey were present to witness the mob flash event. E-certificates were awarded to all participants for their active involvement in the event, and the college also received a certificate in recognition of its efforts to raise awareness about HIV/AIDS. The flash mob was well-received by the public, and the overall initiative was a success in spreading awareness about HIV/AIDS in the community.

INTRODUCTION

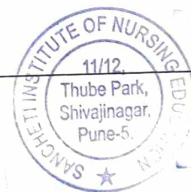

Pneumonia is an acute respiratory infection that affects the lungs, leading to inflammation and fluid accumulation. It is a significant global health issue, especially for young children, the elderly, and people with compromised immune systems. Pneumonia Day, also known as **World Pneumonia Day**, is observed annually on **November 12th** to raise awareness about the impact of pneumonia, its prevention, and the urgent need for global action to combat this preventable and treatable disease.

Objective of Pneumonia Day The key goals of World Pneumonia Day include:

- **Raising awareness** about pneumonia, its causes, and its preventability.
- **Promoting education** on the importance of vaccines (such as the pneumococcal vaccine) and good hygiene practices.
- **Advocating for better healthcare systems** and access to medical treatment, especially in vulnerable communities.
- **Strengthening public health initiatives** aimed at preventing pneumonia, improving diagnosis, and expanding access to care.

Pneumonia Statistic; Pneumonia is a global health burden, with the following key statistics:

- **Globally, pneumonia accounts for 15% of all deaths in children under five.**
- **Approximately 700,000 children** under the age of five die from pneumonia every year.
- The disease also affects adults, particularly the elderly and those with underlying health conditions like HIV/AIDS, diabetes, and chronic respiratory diseases.

Vote of Thanks:

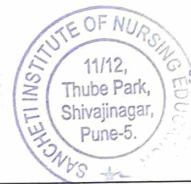

The event concluded with a Vote of Thanks by Ms. Nandini acknowledging the contributions of all the students and faculty members. The organizers expressed gratitude to attendees, speakers, and sponsors for their active participation. The successful conduct of Heart Day was attributed to the collaborative efforts of the organizing committee, volunteers, and supporters. The event witnessed an overwhelming response with around 50 participants. Conclusion: The poster exhibition successfully promoted awareness about pneumonia, encouraging students to take proactive steps towards healthy lifestyles. The event's success is attributed to the diligent efforts of the organizers, judges, and participants. Recommendations: Consider making this an annual event to reinforce the importance of heart health and encourage continued student engagement

Conclusion:

World Pneumonia Day serves as a reminder of the ongoing global health challenge posed by pneumonia. Despite significant progress in prevention, diagnosis, and treatment, pneumonia remains a leading cause of death worldwide, particularly in children under five. By raising awareness and encouraging global action, World Pneumonia Day helps to save lives through prevention, education, and improved access to healthcare. Continued investment in vaccines, better healthcare infrastructure, and targeted public health interventions are essential to reduce pneumonia-related morbidity and mortality worldwide.

Recommendations:

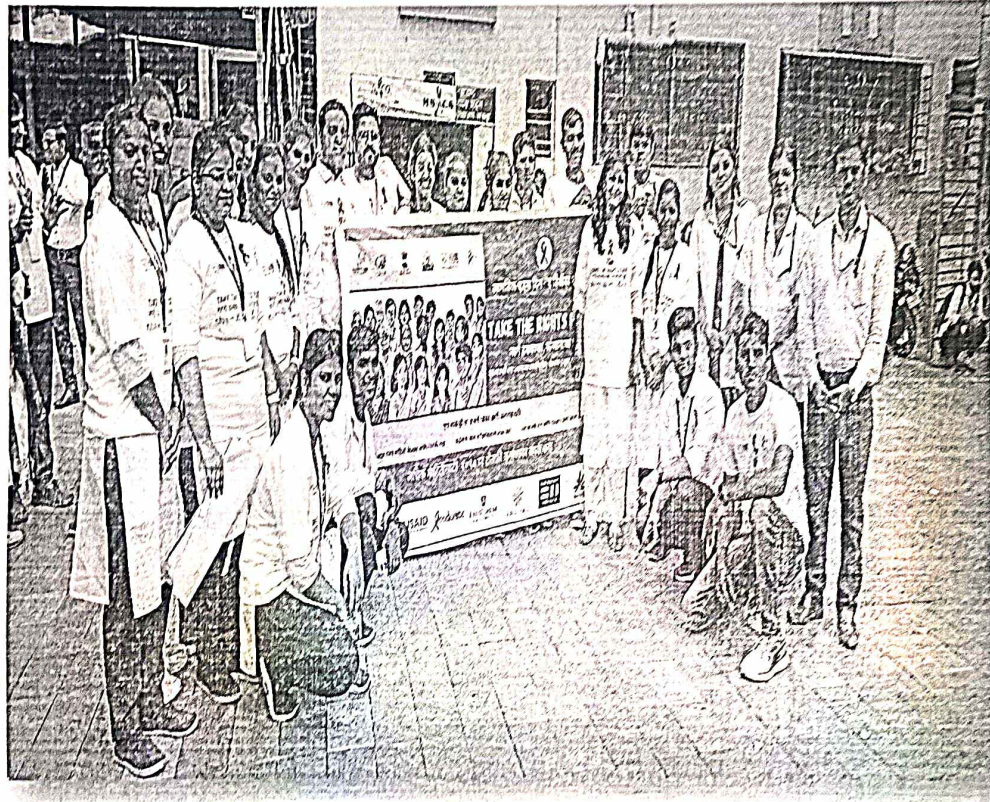

Consider making this an annual event to reinforce the importance of awareness of pneumonia and encourage continued student engagement

The students from Sancheti Institute of Nursing Education successfully organized a role play on World AIDS Day at Dr. Babasaheb Ambedkar College, Aundh, under the guidance of the Red Ribbon Club (RRC). The event, led by nursing tutors Ms. Shraddha Revgade and Ms. Preeti Mahadik. Following the role play, the RRC conducted a rally in the Aundh locality to raise awareness about AIDS and its prevention.

The performance effectively gathered a large crowd, allowing the students to communicate vital information on the prevention, transmission, and treatment of HIV/AIDS. E-certificates were awarded to all participants for their active involvement in the event, and the college also received a certificate in recognition of its efforts to raise awareness about HIV/AIDS. The Role play and Rally was well-received by the public, and the overall initiative was a success in spreading awareness about HIV/AIDS in the community.
