

16th Hospital Administration National Conference

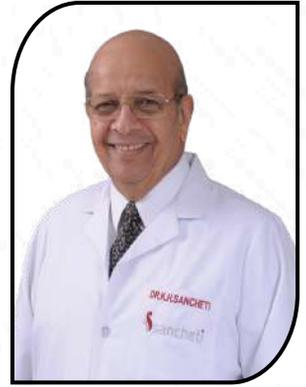

HOSPICON
20TH & 21ST MARCH PUNE 2016

VISIONARY LEADERSHIP

DR. K. H. SANCHETI – FOUNDER PRESIDENT

In the 1960s, when orthopaedics was still an emerging specialty in India, visionary surgeon **Dr. K. H. Sancheti** established a modest 10-bedded orthopaedic clinic in Pune. This humble beginning later grew into Sancheti Hospital, Maharashtra's first dedicated orthopaedic specialty hospital.

A pioneer behind India's first indigenous knee implant, Dr. Sancheti was honoured with some of the nation's highest civilian and professional awards, including the **Padma Shri, Padma Bhushan, Padma Vibhushan, and the Dr. B. C. Roy Award**. His visionary leadership transformed the institution into a centre of excellence in orthopaedic care, education, and innovation.

DR. PARAG K. SANCHETI – CHAIRMAN & MD

Carrying forward this illustrious legacy, **Dr. Parag K. Sancheti** assumed leadership of **Sancheti Hospital as Chairman & Managing Director in 2009**.

An academic achiever and internationally trained orthopaedic surgeon, he specializes in arthroscopy and joint replacement, with particular expertise in knee surgery and sports medicine. Performing thousands of successful procedures each year, he is widely respected for his clinical skill and research contributions.

With distinguished global leadership roles—including serving as President of the Asia Pacific Knee Society—Dr. Parag Sancheti continues to elevate the institution's stature through excellence in patient care, innovation, and national recognition.

MRS. MANISHA SANGHAVI – CHAIRPERSON, SHA

A guiding force behind **Sancheti Healthcare Academy (SHA)**, **Mrs. Manisha Sanghavi** is an accomplished educationist and visionary leader in healthcare management.

With academic qualifications including an MBA in Marketing, an M.Sc. in Psychotherapy & Counselling, and a Diploma in Hospital Management, she brings a rare combination of strategic expertise and deep human understanding to healthcare education.

From her early leadership role with SEWA in Ahmedabad to driving institutional growth at Sancheti, she has consistently championed innovation, collaboration, and excellence. She also served as President of the All Hospitals Association for eight years and is a recipient of the prestigious International Women's Achievers Award.

Through her creativity, compassion, and steadfast commitment to leadership in healthcare, she continues to inspire and shape the future of healthcare education.

SANCHETI LEGACY & HEALTHCARE EXCELLENCE

Sancheti Group of Hospitals founded by **Padmashri, Padma Bhushan, Padma Vibhushan & Dr. B. C. Roy Award recipient Dr. K. H. Sancheti, in the year 1965** stands as one of India's most respected orthopaedic institutions and is widely regarded as the **No.1 Orthopaedic Hospital in Western India**. As a premier bone and joint specialty centre, the hospital continues to deliver comprehensive orthopaedic care through a highly experienced multidisciplinary team, since last **60 Years**. Today, Sancheti Hospital is a comprehensive orthopaedic super-specialty centre offering state-of-the-art services

The Sancheti Healthcare ecosystem has grown steadily over decades:

- Sancheti Institute for Orthopaedics & Rehabilitation, established in 1965, laid the foundation for excellence in orthopaedic treatment and rehabilitation.
- Sancheti Healthcare Academy was created as a dedicated academic arm to develop future leaders in healthcare management, hospital administration, and physiotherapy, making it one of Pune's leading healthcare education centres.
- Sancheti Advanced Orthocare Hospital, launched in 2025, introduced advanced infrastructure and modern super-specialty surgical services.

HOSPICON... ACADEMIC EXCELLENCE

With decades of excellence in clinical care, patient safety, innovation, and compassionate service, Sancheti continues to reflect the true spirit of HOSPICON – championing leadership, technology, and patient-centric transformation in healthcare.

For the past **16 years**, Sancheti Healthcare Academy has successfully organized HOSPICON, building a respected national platform for healthcare leadership and learning. This year proudly marks the 16th edition in Pune, reaffirming our ongoing commitment to shaping the future of healthcare.

CONFERENCE AGENDA HIGHLIGHTS (2 DAYS)

POST CONFERENCE ATTRACTIONS

Pune is one of India's fastest-growing hubs for healthcare and education, renowned for its academic excellence, medical innovation, and progressive hospital leadership. Hosting HOSPICON here offers the ideal platform to bring together administrators, clinicians, and technology leaders who are shaping the future of healthcare.

How to Reach Pune:

Pune is well connected by rail, road, and air, making it easily accessible from all major cities across India.

Shaniwar Wada : -

Shaniwar Wada was built in 1732 by Bajirao I as the seat of the Peshwas of the Maratha Empire. It became the political heart of Maratha power in the 18th century, known for its grand gates, fountains, and royal court. A devastating fire in 1828 destroyed most of the palace, leaving only the strong stone fortifications that stand today.

Shreemant Dagdusheth Ganpati Temple :-

Dagdusheth Halwai Ganpati Temple is one of Pune's most revered temples, established in 1893 by the devotee Dagdusheth Halwai after the loss of his son. It later became an important centre of faith and social unity during the public Ganesh festival movement inspired by Bal Gangadhar Tilak.

Lal Mahal : -

Lal Mahal was built in 1630 by Shahaji Bhosale for his wife Jijabai and young son Shivaji Maharaj. It is the place where Shivaji Maharaj spent his childhood and received his early training and values. The palace became an important centre in shaping his vision of Swarajya. It is also linked to the famous 1663 attack on Shaista Khan. Today,

Aga Khan Palace :-

Aga Khan Palace was built in 1892 by Sultan Muhammed Shah Aga Khan III as a charitable project during a famine. During the freedom struggle, the British imprisoned Mahatma Gandhi, Kasturba Gandhi, and other leaders here after the Quit India Movement of 1942. The passing of Kasturba Gandhi and Mahadev Desai at this site makes it a deeply significant memorial in India's independence history.

Sinhadgad Fort: -

Sinhadgad Fort is a historic hill fort near Pune, known for its strategic importance in Maratha history. It is famous for the 1670 battle where Tanaji Malusare sacrificed his life while capturing the fort for Chhatrapati Shivaji Maharaj. The fort stands as a symbol of bravery, loyalty, and sacrifice, offering both historical significance and breathtaking views today.
